"ONE OF THE FASTEST READS I EVER HAD. ONE SITTING."

DAN HUBBARD, HUBBARD CASTING

"THIS COULD BE A BRITISH "THE DIVING BELL AND THE BUTTERFLY." "

SUZANNE ALIZART. EAST MIDLANDS MEDIA

After growing up as the child of a determined single mother, Tom sets out to prove that he is a better parent than his own, successful, estranged, father.

But Tom has an additional problem, a bacteria that invades his body, robs him of his limbs and his dignity and declares war on his sanity.

"Starfish" is a drama like no other, a mix of emotion, imagination and tension. A rich cast of characters and images ricochet around Tom's world as he and his wife fight to hold their life and family together against the forces of nature and modern society.

Based on a remarkable and compelling true story, "Starfish" takes the challenges young families face to extraordinary levels and provides the proof that with love and courage comes strength.
